Hi guys, I'm **Brooklyn** and I wasn't feeling that good today. So I went to the infirmary at my college to see **Shay**, the nurse, when I ran into **Ruthie** in the waiting area. When Shay saw us, and we saw her, our fever got even higher. if you catch my drift. She promised us she would make us feel better in no time, so we proceeded with the cure. A bright pink strap-on!

The woman on the left has long brown hair and is wearing a black lace bodysuit with a crisscross pattern on the back. The woman on the right has long black hair and is wearing a black lace bra and thong. They are both looking down with soft expressions. The background is a light pink wall.

It's our turn in front of the camera today and we're ready to rock it. We shaved carefully down there. OK, we were nervous. But when we started filming and having sex, it left our minds and we focused on each other, which was very nice and we stayed wet throughout the day. I'm **Anastasia** and she's **Bijou** and we just got our freak on.

PASSION AND PLEASURE

Classes were over and I headed back to my dorm room. My name is Nichole and I'm a senior with a major in 16th Century Italian Literature at a prestigious Ivy League university.

My roomie and best friend is Emilie. She's a junior with a major in Pre-Templar Portugese History. We're not really as geeky as our majors sound. We just want the opportunity to travel after our stint at collegel was over.

I'm the first one back and I throw my books on the floor next to the books from yesterday's classes. I can't wait to get out of all these clothes, so I strip down completely, fix myself some popcorn, pour a glass of soda, and settle on the sofa. I love eating popcorn naked, watching TV. Emilie would be coming home any minute. Her class ends about fifteen minutes after mine. So I'm sitting naked on the couch, softly stroking my bald pussy and watching a little TV while I impatiently waited for her.

When I heard the sound of a key in the door, I spring to my feet and as soon as she had entered the door I was on her. No words were spoken; I wrapped my arms around her, looked lustfully into her eyes and kissed her sexy lips. The way she kissed me back had my body just wanting to melt into hers. Our tongues played together in each other's mouth; our breathing got faster

and at the same time carried our moans for each other. She grabbed my bare ass and pulled me even tighter to her, juices from my already aroused pussy were running down my inner thigh. I broke away and told her to get rid of her books.

I pulled her back close to me and after some more lust-filled kissing and our boobs pressed so tight together, I slide my hands under her blouse. Braless, I found her hard little nipples with my fingers; she let out a soft moan, and tilted her head back. One of my hands was massaging a boob as my mouth moved lower down her neck. I pushed her blouse up to where it was bunched up above her breast as my lips quickly foundd her hard nipple. Softly kissing and then sucking it, before moving on to the other.

I slid my hand down her tummy and found the button to her jeans. I unbuttoned her jeans, while my mouth was busy on her boob. Slipping my hand inside, I was pleased to find her not wearing any underwear at all, and just as I expected, she was quite wet for me. She

took a deep breath as my fingertips parted her pussy lips and slipped one gently inside her.

I crouched in front of her and while I was covering her tummy in kisses and licks, my hands were pulling her jeans off her hips. Her hands were running through my hair, and urging me to go lower. Her jeans were on the floor at her feet, and as my kisses and licks moved lower, she stepped out of her jeans to spread her legs for me. I covered her pussy with my mouth and she immediately pressed into me. I plunged my tongue in her as deep as it would go, tasting that cream filled center of hers. I collect my tongue for another assault and in one slow long lick, I licked from her creamy pussy, to her clit, across her mound, over her bellybutton, between her breasts, up her neck, and found her lips with mine. We melted into each other as we kissed, letting her taste her own juices on my tongue and lips.

I steered her towards the sofa but only got as far as the large oak coffee table in front of it. Once her butt hit it she quickly hopped up on it, and spread her legs for me to stand between. She then leaned back I was kissing down her neck again as she was gently rocking her hips and grinding her wet pussy into me. With a smile I reached into my soda glass and pulled out a large ice cube. With a naughty smile on my face I reached out and slowly traced it down her neck, over her shoulder, across her chest, onto her perfect breasts, across her left nipple. Her wet little nipples were rock hard, and dying to be warmed back up as the water left behind by the ice cube ran down her body.

When my lips reached her nipples, I make sure to get all the water off them and warm them up properly. Kissing back up her neck, making sure to warm her up with my tongue and lips, our lips then found each other's. Her hands reached out and started playing with my boobs. My nipples were so hard as she played with them and

pinched them. Stepping back again, I slowly traced a line down her body with the ice cube, starting at her neck, and ending at her bald pubic mound. Then tracing the cube up and down both sides next to her pussy, and finally ending with it pressed and melting against her clit.

Softly I licked her mound and then licked next to her pussy on both sides, ending with my lips on her swollen clit and softly sucking it. She was wiggling her butt trying to get me to lick the rest of her pussy, as I pulled

away again. Opening the drawer under the coffee table, I pulled out a cute red vibe. It was only about four inches long, but put out a good buzz. Emilie looked at the vibe and quickly said, "Grab two, I have two holes!"

My jaw dropped. I reached back in and grabbed a second vibe, this gold-colored one was bigger than the first. I twisted the bottom of the gold one and it sprang to life in my hand. I slowly toyed around her pussy with it, running it around her pussy, through her folds and teasing her clit. I dipped the tip inside her, pulling it out and reinserting it as I fondled her boobs. I move my mouth down her body to where the vibe was pleasuring her. She softly moaned, running her fingers through my hair as I licked deep in her pussy. My face was covered in her juices, as I pushed her legs high in the air so that I could tongue that cute little butthole of hers.

Some of that yummy juice from her pussy had run down to her butthole, so I cleaned that up and probed her little butt with my tongue. Her butthole nice and lubed up with my saliva, I took the small vibe, twisted it on with one hand, and slowly slid it in her butt. With a deep breath she immediately pressed her butt down to meet it. I then went back to licking her pussy and fucking her with the gold one while slowly fucking her sweet little ass with the red vibe. My pace on the one in her ass was getting faster and deeper. I could tell she was getting close

to orgasm. She began rocking her hips to match my thrusts with the vibes in both her holes. My lips latched on to her clit and sucked it for all it was worth. In a matter of moments she was cumming all over me.

Still fucking both her holes and sucking her clit, she let out a squeal, arched her back, and curled her toes as she came. I pulled the gold one out of her and covered her pussy with my mouth, licking up her juices as she came while still fucking her ass with the other. Her juices flooded my mouth, and I kept softly licking long after her orgasm had subsided, smiling at the look of satisfaction she had on her face and at how much I enjoyed pleasing her. Once she regained her composure, and I had licked up most of her juices, she sat up. She grabbed my face and with a smile pulled me to meet her lips. Passionately we kissed, my tongue, lips, and face covered in her juices.

After cleaning her juices from my lips and face, she gently pushed me back, giving her room to hop off the table. She took me by the hand and guided me to lay down on the sofa. Then she went to our little kitchenette and pulled a bottle of chocolate syrup out of the refrigerator, she knelt down next to me and we started kissing again. With a naughty smile she started squirting it on my breasts, down my tummy, and on my wet pussy. With both hands she smeared the chocolate syrup all over my breasts and tummy. My breasts looked like two scoops of ice cream covered in chocolate with cherries on top, and that's exactly how Emilie treated them. Starting at the bottom of each scoop, she licked her way up, and gave my cherry nipples a little suck every time she reached them. Oh, it felt so good. Some of the chocolate had gotten on her face so, I pulled her to me, kissed her lips and licked the chocolate off her cheek.

Emilie then lowered her kisses, reaching my belly button. She swirled her tongue in it and licked it out. As her

kiss reached my panty line, it began to tickle a little, which caused me to lift my butt off the floor and almost push my pussy into her mouth. Her kisses reached my bald mound; I let out a gasp this time instead of reacting to a tickle; I so wanted her mouth on my wet warm pussy. Her tongue softly licked around my pussy, but never touched it. Everywhere her tongue went, I tried to push my pussy toward it, hoping she would give it the lick it so badly needed. Finally she licked it, and when her wet tongue parted my

folds I nearly came. My pussy was so wet and creamy for her, and it felt so good having her tongue in me.

Emilie climbed between my legs as I spread them wide for her. She started to lick where she had left off, on my chocolate syrup-covered pussy and started licking it like an ice cream cone. I took a deep breath; yes, finally; I needed to cum! Her tongue never penetrated me deeply like I wanted, she was still teasing me. She pushed my legs in the air and I held them for her as she began licking the chocolate that had run down to my butthole, swirling her tongue around it and probing it. She found the red vibe and positioned it at the entrance of my butt and slid it right in. As soon as I felt it I pressed down on it, in an attempt to help her put it in deeper. Her mouth then went to my pussy, and plunged her tongue deep in me, as she slowly fucked my ass with the vibe. Then she grabbed the gold vibe and plunged it in my pussy. Her pace on the vibes in both my holes quicken and the orgasm I so needed was quickly coming.

Her mouth was sucking on my swollen clit. I was cumming, my head was spinning as the waves of orgasm rippled through my body. We wilted into each other, sliding our chocolate-covered bodies against one another. Holding each other we cuddled and softly kissed for the next several minutes and commented how lucky we were to both have such a hot and fantastic lover. Emilie, you're wonderful. Stay that way!

Done-with-Dong Dykes Go... BACK TO THE CRACK!

By Irv O. Neil

They're at it again, thought Zeb Morehaus, listening through the paper-thin walls of his bedroom to his next door neighbors, those two crazy little vixens Nona Binx and Lona Latcher. They were probably playing with that big sex toy they'd ordered, and it must be buzzing right up against their nasty little pussies. Young girls today. No blushing old-style femininity for them, but just a constant search for thrills to make their crotches explode!

Zeb put his ear against the wall. It was near midnight and he was just about to go to bed himself. He could make out Nona's moans and groans as the toy no doubt was pressed up against her vulva and sending vibrations from her clit to her nipples and out of her throat. Zeb was sixty-two, and nineteen year old girls back in his day did not play with toys like that. Hell, most nineteen year old girls during his young manhood didn't even live in off-campus apartments on their own like these two, supported by their parents in this independent lifestyle while they went to college! And females of his era certainly didn't order vibrators and dildos online (of course there was no "online" then) and display them happily and naughtily to their older male neighbor—

whom Nona teasingly dubbed "Uncle" Zeb (though he was not related) because she thought he was so cute and cuddly and wise! But Nona and Lona said they were through with men, because their boyfriends had treated them badly, and now they were going "back to the crack" forever, and would stick to sleeping with each other.

Zeb tried to explain that they shouldn't judge all men by the thoughtless actions of their callow ex-boyfriends, but Nona and Lona were caught up in their spirit of rebellion and kissed each other right in front of Zeb to shock him out of his pants! Well, what they did accomplish was to get him to go into his apartment and take out his willie and jerk off to the thought of those two lezzing up a storm. Which they were also doing right now, here at midnight, and so he lay down on his bed in his pajamas and took out his dong and began to stroke.

Those girls were zany, not because they were eating each other, but because they lived on impulse and loved to rebel just for the sake of it! He wanted to help them get their lives together, but on the other hand as long as they acted so wildly, he got inspired for some fine jerk-off sessions. Just as Nona exploded in gasps and cries next door, Zeb's cum flew across his belly and he sighed with satisfaction. Soon, he dozed off.

"Well, maybe we should have stuck with cracks and avoided cocks," said Lona. She took out her strap-on. "Now this is a dong I can live with! Just look at it!"

"Did you see how Uncle Zeb's eyes popped out when you walked down the hall with it after opening the box?"

"I wanted to give him a cheap thrill. His life is kinda bleak, right? Working in the administration building of Hindenburg College. A paper-pusher. He needs excitement."

"Oh, he's a nice guy," said Nona, taking the strap-on and rubbing it with her fingers. "He was trying to tell me the

"You think Uncle Zeb was listening to us?" said Nona. "I know he was home tonight. He was watching some old movie on cable. I could hear it."

Lona put down the humongous vibrator that had just made her girlfriend writhe and cum. "The way you talk so much about that old man, I think you like him or something."

"He means well. I wouldn't go to bed with him or anything. Gross! I'm undickly now, just like you are."

Nona and Lona thought it was a fun and happy coincidence that their names should sound so similar. In a strange way, it determined the odd development of their friendship when they met at Hindenburg College in Ohio. They enrolled in the same classes, and they wore the same clothes. They even went out with similar looking boys. They were nicknamed the Mirror Chicks on campus. Well, they had a certain chemistry together as friends, so the tag suited them fine.

All through their first year at school, they dated two guys who, although their names were not similar as Nona's and Lona's were, resembled each other. When second year started, they were still seeing these guys, but when they found out the guys were also cheating with other girls, they dumped them the same night at the same time. Kicked both those boys out on their butts! Lona was far more angry about it than Nona, though, and for the first time it seemed to Nona as if they weren't quite the Mirror Chicks they'd been first year.

"I'm through with dongs...I mean, dongs made of flesh," said Lona. "We're going back to the crack and staying there."

"Back to the crack?" said Nona. "You make it sound like our boyfriends were just a break in our lesbian lives. We only made it twice together, Lona, and both times we were kinda drunk."

other day that we shouldn't judge all men by our boyfriends, those tools."

"Yeah, I heard that speech too, remember? He's probably trying to convert you back to cock, and to one cock in particular. His old wrinkly one."

"I don't think cock gets wrinkled in old age, but maybe the balls."

"Well, here's one cock that won't wrinkle. Come on, Nona, hook up the strap-on for me. I like to watch you make me ready to fuck your ass!"

"All right, you'll be in my ass in a minute."

Nona noticed something in this lesbian relationship of theirs: Lona was the leader. And she was doing most of...the doing. She enjoyed making Nona cum, that's what got her off. And she liked putting the dildo in Nona's butt more than in her pussy. For a girl who talked trash about men so much, Lona sure liked to do the nasty things the nastiest boys preferred.

"Come on, suck my cock!" said Lona, rubbing it against Nona's face.

Did you wash it clean from last time?"

"Yes, you fussy little thing. I sterilized it. Now suck!"

Lona enjoyed seeing her friend blow the plastic cock. She only wished she could feel Nona's lips on a real cock of her own. Well, that was just a silly fantasy, having her own dick. It was thrill enough to see Nona blowing her strap-on.

It was also thrilling for Lona the way they were wearing the same stockings and neckties and even had the same little barbells in their tongues. Lona found all this mirror stuff very erotic. They looked alike, yet they didn't take the same roles. Lona led, and Nona followed. Nona would probably have been content to go looking for another boyfriend, but Lona convinced her otherwise. "It's back to the crack, back to the crack!" she said, maybe a thousand times in the dreary days after they broke up with their boyfriends. And Nona went along with it.

Lona took a big glob of lube from the tube they kept at the bedside, and she rubbed it all over Nona's buttocks. She loved girl ass, she realized that more everyday. She'd have to keep Nona away from that Uncle Zeb, he might end up convincing Nona to give dickly persons another try! That would not make Lona happy. Lona was, she realized, exclusively lesbian. So much for the "Mirror Chicks," because she wasn't sure if Nona was all gay, or could be...

"Oh your hot little ass," said Lona, positioning the head of the dildo at Nona's rosebud. "This ass is made to be fucked...by me, you little gay bitch! You'll always be my gay bitch, right?"

"Ohhh yessss," groaned Nona as the dildo sunk into her butt.

"Together forever, and never apart!" said Lona, thrusting her pelvis forward and penetrating deep. It was funny how she could get so hot when the strap-on barely even affected her clit, but she did. She was fucking her friend Nona. What could be better? Nothing! And from the sound of Nona's moans, it would seem that she agreed.

Zeb Morehaus had fallen asleep, but was suddenly awakened when the bed of his neighbors began to shake and bang against the wall. Ah, he thought, I bet one of those feisty wenches is using that strap-on, probably Lona. He'd jerked off after she'd paraded in the hallway with it, teasing him, acting like he was all dried up and wouldn't be affected by such a spectacle. Well, she was wrong.

Young girls these days had no respect for older men. Older men wanting young women was regarded as a joke now, thanks to the feminist revolution that put males in second place. But women's lib was probably the best sales pitch for prostitution ever, because what men couldn't find in real life,

they sought in warehouses and paid good money for. Zeb certainly did, driving into the big metropolis which wasn't far from Hindenburg College. Oh yeah, Zeb got plenty of nineteen and twenty year old girls to pleasure his peter. Whacking off to his uninhibited neighbors was only the frosting on his horny cake. And they probably thought this was the only thrill he got...because he figured they'd already guessed he was beating off to them.

peaking of which, he figured he might get one more good load out of the girls' session tonight, so he threw off the covers off and began to pull it.

Nona climbed on top of Lona's jutting strap-on dildo. She began to ride it cowgirl style.

put everything out of her mind and just tried to focus on the dildo moving back and forth in her ass. She thought of what it must look like. She thought of what it might look like if Uncle Zeb walked into the room and saw it. That finally clicked it all in for her. He was an older man, not her relative obviously but a figure of smartness and authority. Nona would have liked to see his expression, hear his opinion. Maybe he would call her a dirty, misguided girl. Maybe he would tell he she had much to learn about the world, and that she should not be so foolish as to give up on men. He would frown as he looked at her ass getting filled by a lesbian dildo. His eyebrows would furrow. He wouldn't get angry, but he would not approve.

"Baby, the more you fuck my dildo, the more it feels like a part of my body!" Lona cried. "I bet if you keep fucking it, it'll turn into a real cock! My real cock! I'll be your guy! Your only guy!"

Such ideas, thought Nona, keeping silent and just enjoying the ride. Lona kept thrusting upward with the dildo into her ass. Why is she so fixated on my ass? But that was the way Lona was. She was an ass-girl, always grabbing Nona when she walked around the apartment, even when they were still going out with their boyfriends.

Nona was starting to realize that Lona was basically gay. That was okay for Lona, but Nona wasn't sure that was her own personal program. She loved the strap-on because it reminded her of dick, but she couldn't imagine going through life without at a few more miles of dick inside her. Nona tried to put these thoughts out of her mind and concentrate on getting fucked, but she knew their differences would lead to a confrontation sometime. She wasn't going to be trapped in the crack forever.

"Ride my dick, you sweet Nona," said Lona, rubbing Nona's shaved pussy at the same time. "I can't get enough of this ass. I'm going to sleep with my strap-on in you. How would you like that?"

Nona liked that idea as a fantasy. In fact, she'd often thought of going to sleep with a man's dick in her ass, and had tried it with her ex-boyfriend, but it didn't work out. She didn't think a strap-on sounded like it would feel so good to wake up with.

Nona's problem was that she thought about things too much. That was one reason she liked Lona, because she was more action-oriented. Nona

He would tell Nona she was a very dirty girl indeed, doing very nasty things with a nasty toy in her nasty ass...

"Uhhhhh!" Nona suddenly cried, feeling Lona's hands holding her tightly around the waist as she exploded on the thrusting strap-on. It was the second time she'd cum tonight. But when would Lona cum?

"Watch me, girl, watch me," said Lona, taking the dildo out of Nona's ass and laying on her back. She began to stroke the plastic cock as if it were the real thing. "Look at me, Nona, I'm jacking my cock. I've been lying to you—I'm really a boy. Really a boy. Really, really, truly a boy! See my dick and love it!" And suddenly, as if the stroking of plastic had a physical effect on Lona's body, she came, twisting and screaming and panting. Came from her own words, from her own fantasy of herself with a cock.

"Wow, Lona," said Nona. "You really wish you had one of those."

"I guess I do sometimes."

"Sometimes?"

"Most times. Well, whatever. Now go to the kitchen and get me a Coke."

Zeb Morehaus timed his second orgasm perfectly, and shot his load while Nona exploded for her second time. From the sound of it, he was sure she'd gotten nailed by that strap-on. That definitely seemed to be Lona's *modus operandi*.

These young girls today. He knew he should try to guide them to find fulfillment and knowledge, but it was useless. They had to find their own way. And what a great show they gave, when you just let them do their own thing!

Madison has her hand on Tyler's chest. The shower floor is made of light blue square tiles. A shower head is visible on the right side of the frame.

Wet but still dirty

I'm **Tyler** and my best friend here is **Madison** and she's a bit over-sexed. What's strange is that I never thought of myself as a lesbian until she and I had been doing each other for more than six months. Then it just hit me out of the blue: I like girls! Or at least, I like Madison. Now I just can't stop thinking about banging her. We are gonna soap up because we still feel pretty dirty!

When girls play with toys

Boys aren't the only ones with big toys, the kind they like to spray us girls with. Notice, our big toys in the photos. That's because we're waiting for your cock. Let's get warmed up, prime the pumps, wet things up a little, and then we'll be ready for you. So sit and let **Rachel, Louisa** and **Scarlett** do the things you like.
